Hi, Erin-

I sent the attached draft EPA comments to Bruce last week. I also sent him your spreadsheet that we refer to in the comments.

I'll be calling in from home tomorrow. I may call you before the call if I have any questions.

Best,
Michelle-

Hi, Bruce-

Attached please find EPA's draft comments on the 90% RD Report. Please note these draft EPA comments to not include NJDEP comments. I'm coordinating with NJDEP and will keep you posted. After your review of the attached comments, please let me know if you'd like to schedule a call for next week, possibly April 3rd or 4th.

Thank you!
Michelle-
